[Validated Surface Water Samples_081215.docx](#)
[HQ_Final_SurfaceWater_081215.xlsx](#)

Please find attached the data table and "message" for Region 6's surface water sampling from the Animas River/San Juan River on August 10th and 12th-13th. Please review as early as possible, as we need this data posted by noon Mountain time as our staff will be participating in a Community meeting in Farmington and would like to present this data. Thank you and please contact me with any questions.
